*\*Please note: Flu shots are covered under your medical benefit, not your pharmacy benefit. The pharmacy listed above will submit claims to PreferredOne. Under most PreferredOne health plans flu shots are covered at 100% under preventative care. Other participating pharmacies require you to pay the fee and submit the claim to PreferredOne for reimbursement. Check your plan documentation or call Customer Service to verify your benefit level.*

**PreferredOne member identification card is required at the time you receive a flu shot.** Please contact PreferredOne Customer Service at 763.847.4477 or 1.800.997.1750 with any questions.
