## Provider Assurance Statement for Telemedicine

Provider Name	NPI
---------------	-----

This Assurance Statement is an addendum to the Provider Agreement.

### Telemedicine definition

Telemedicine is the delivery of health care services or consultations through electronic communication while the patient at one site and the licensed health care provider at a distant site. Effective January 1, 2018, PreferredOne covers medically necessary services and consultation by a licensed health care provider through telemedicine in the same manner as if the service or consultation was delivered in person. (Minn. Stat. 256B.0625, Subd. 36).

### Applicant Assurance Statement

By initialing each requirement and signing below, I, the above-named applicant, attest to compliance with the following and acknowledge that I will maintain documentation proving compliance with these requirements:

\_\_\_\_\_ I have written policies and procedures specific to telemedicine services that I review and update regularly.

\_\_\_\_\_ I have policies and procedures that adequately address patient safety, before during and after the telemedicine service is rendered.

\_\_\_\_\_ I have established quality assurance process related to telemedicine services which includes all applicable Health Insurance Portability and Accountability Act (HIPPA) requirements.

\_\_\_\_\_ My agency has documentation of each occurrence of a health care service provided by telemedicine that includes all of the following

- The type of service provided
- The time the service began and the time the service ended
- A description of the provider's basis for determining that telemedicine is an appropriate and effective means for delivering service to the recipient
- The mode of transmission of the telemedicine service
- The location of the originating and the distant site
